50-65 cm

11 kg

Operator's stool with an aluminium frame and a five spoke base. A 360 degree adjuster lever housed under the seat makes it easy to adapt the height in seconds. The seat is round. The anatomical curved backrest can be adjusted in depth and to three different positions (right, centre and left). Sky comes in a wide range of 30 colours, in both the thermoformed and stitched versions.
